

Easter Egg Letter Match

Its such a simple and educational activity. You just need plastic Easter eggs and a permanent marker for this activity. Kids of all ages can match the Easter egg halves no matter their age, although older kids will get it more right.

What you'll need

- Permanent Marker
- Plastic Easter Eggs

Steps

1. Take the permanent marker and write on each egg a letter of the alphabet, writing upper case on top and lower case on bottom
2. Take apart the Easter eggs and place them in a bin
3. Invite your kids to match up the Easter eggs or just to play with it
