

Christmas Sensory Bin

This Christmas themed sensory bin is one that I created myself from a few ideas I saw online.

It looked gorgeous and my kids loved playing with the shredded paper. It was also much easier to clean up than rice or flour.

What you'll need

- Plastic cup
- Christmas ornaments
- Shredded paper
- Tongs

Steps

1. Add green, red and gold or silver shredded paper to the sensory bin
2. Add Christmas ornaments and other festive items to the bin
3. Add cups and tongs to play with to the bin
4. Invite your kids to play
